How often and when do we pay?

Upon joining our program, you will receive an electronic invoice for the season's fees in full (prorated if applicable), and you will have the option to pay your seasonal fees with a one-time payment in full or in monthly installments. You may pay via check/cash in person, online or we can set up an autopay. Per the verbiage under the "Cost" section, a \$400 payment will be due at your first practice. This is included in the \$1300 total fee that is paid to HG.

Do we pay for tournaments if we're unable to participate?

Throughout the season, conflicts arise (injury, vacation, etc). Upon joining the team, you commit to the team's schedule and the fees associated with that schedule in a bundled package. Unfortunately, there will be no discounts or refunds issued for missed games or tournaments.
