

Higher Goals Elite Team FAQ'S (Elem & MS Teams)

Practice Structure

We will practice twice per week. Each practice is 1.5-2 hours. Practices are similar to the tryouts; however with a little more intensity and attention to detail. Although winning is definitely one of our goals, player and team development is our main focus.

Practice Schedule

We design our practice schedules around coach and gym availability. It's certainly difficult to please everyone, but we typically come up with a schedule that works for most!

Game Schedule

Game schedules are designed by the league/tournament itself and out of our control. The tournaments we participate in are typically in Carrollton, Frisco, Lewisville, and Denton. However, Elite teams may venture out of the Dallas Metro and even out of state.

Commitment

We **REQUIRE** players to commit to at least a full season. However, players are not contractually obligated to continue beyond a particular season. We are a year-round, season to season program. Players have the option to play on a team or train with us year-round, but are not under contract to commit to more than one season. You only pay during the season you are playing.

How often and when do we pay?

Upon joining our program, you will receive an electronic invoice for the season's fees in full (prorated if applicable), and you will have the option to pay your seasonal fees with a one-time payment in full or in monthly installments. You may pay via check/cash in person, online or we can set up an autopay.

When/why/how would we discontinue?

Players must commit to at least a full season. Prior to the end of each season, you have an option to remain active or to discontinue. If you opt to withdraw or discontinue, we require that you provide written notice via email (accounts@highergoalsnow.com) at least 10 days before the end of the current season.

Can we re-join after discontinuing?

Yes you may rejoin at any time!
